Comfort Savings Program

NV Energy offers home weatherization services to our customers with qualifying incomes. These services help owners and renters who struggle with monthly expenses gain greater financial freedom by helping them significantly reduce utility costs. Our trained professionals help customers understand their energy use and choose the most cost-effective measures that result in the greatest energy savings.

For more information on this free home weatherization program or to confirm eligibility, call toll free at

1-866-920-7822.

Upgrade your Gas Furnace and Save

Northern Nevada customers, did you know you can save energy this winter by upgrading your gas furnace? You could make your home more comfortable and energy-efficient, and may also qualify for a cash rebate from NV Energy. Hurry while supplies last.

Certain restrictions apply. Visit NVEnergy.com/furnace, email hvacprogram@NVEnergy.com, or call (866) 588-6363 for more details.

Offer for northern Nevada customers only.

NV Energy is now accepting applications for the WindGenerations Incentive Program

Windmills have been used in farming and ranching communities for centuries to pump water for animals and crops. Today they're making a comeback as modern wind turbines generating electricity for both rural and urban areas. As part of the Renewable Generations program, NV Energy offers one-time installation cash rebates to customers interested in installing wind turbines at their home, small business, agriculture property, school or public building.

For more information call 866-786-3823 or visit

Know Your Meter Readers

NV Energy meter readers provide a valuable service to you. Actual meter readings mean NV Energy doesn't have to estimate your usage. Your bill will reflect your actual electric usage. NV Energy employees read your meter each month on the date listed on the right side of your monthly bill. Sometimes it is necessary for our employees to visit your home on an unscheduled day.

Our employees wear shirts bearing the NV Energy logo and carry an ID badge with a photo and employee number. If you have any doubts about someone claiming to be an NV Energy employee, call us with the representative's employee identification number for verification.

Energy Efficiency Begins at Home

NV Energy is a proud sponsor of Energy Plus homes, energy efficient homes built to exceed standard building codes for energy efficiency and Energy Star requirements. NV Energy has rebated more than 590 homes achieving 1.6 million kWh in first year savings.

Take control of your energy use.

Visit NVEnergy.com

to see how you can do your part and save.

Energy Audits for Do it Yourself-ers

NV Energy makes it easy for customers to become real energy experts. NV Energy offers our customers "MyAccount," which is free, secure and convenient. Customers are able to check their energy usage, analyze and graph energy use, get conservation tips and more.

Sign up today at NVEnergy.com.

Our offices will be closed on Wednesday, Nov. 11 in observance of Veterans Day and on Thursday and Friday, Nov. 26 and 27, in observance of the Thanksgiving holiday.
