 today and sign up online for
MyAccount.

Our offices will be closed on Thursday, January 1 and Monday, January 19, to observe New Year's Day and Martin Luther King, Jr. Day.

United Way's Community Partner

NV Energy is United Way's largest corporate and employee supporter in Northern and Southern Nevada. At the time this publication went to press, NV Energy employees pledged to support the United Way with \$1.2 million during its 2008-2009 Employee Giving Campaign.

The contributions of NV Energy employees go to fund many nonprofit organizations and initiatives throughout our communities. The United Way helps individuals and families to live healthy, productive and independent lives. An excellent

way to find information about all United Way services is to dial 2-1-1.

People who need essential services may dial 2-1-1 and connect with specially trained information and referral specialists who can help provide the appropriate resource and related information.

NV Energy in southern Nevada is seeking applicants for our Powerful Partnership scholarship program to support the continuing education of high school seniors in Clark County. Home schooled, public and private high school seniors may apply for the \$1,000 scholarship from Jan. 2 through March 16. The Clark County School District scholarship application is available from your high school scholarship counselor or on our website at nvenergy.com/scholarship
