## An Easy Way to Manage Your Energy

### MyAccount Offers a Detailed Energy Audit

MyAccount offers tools to perform a comprehensive energy audit of your home. You can compare your home against similar homes in the area, evaluate your energy use over time, look at your billing history and discover specific ways to lower your electric bill. You can also pay bills online. Sign up today.

Signing up for MyAccount gives you secure, convenient access to your account information and tools to manage your account.

***Visit [nvenergy.com](http://nvenergy.com) today and sign up online for MyAccount.***

***As a reminder, our NV Energy offices in southern Nevada will be closed on Monday, Feb. 16, in observance of Presidents Day.***

## ENERGY STAR® Residential Lighting Program

As part of this program, more than 5 million compact fluorescent lamps (CFLs) have been placed in Nevada through utility-sponsored discounts. CFLs use up to 75 percent less energy, save money on lighting bills, reduce cooling loads and need changing less often.

## Are You an Energy Einstein?

Whether you're a student, teacher or parent, help kids learn about energy and ways to conserve it. Dr. E's Energy Lab is a good place to learn various sources of energy.

Visit [eere.energy.gov/kids](http://eere.energy.gov/kids)

## \$30 Reward

Old refrigerators or freezers in your garage can use up to three times as much energy as newer models. You can pick up \$30 in cold cash just by recycling your older appliance with NV Energy. We pick it up for free and you get \$30.

**Call (877) 289-8260 or visit [nvenergy.com](http://nvenergy.com) for details.**

### Conservation Corner

Comfort Savings is a free residential energy efficiency program for income qualified NV Energy customers. Comfort Savings provides an in-home energy evaluation of your current energy usage and recommends and installs improvements at no charge.

## Call Before You Dig

If you plan to dig on your property for any reason, telephone the "Call Before You Dig" hotline at 811 or (800) 227-2600. Both calls are free. Call two working days before you excavate and someone will come to your property and locate all buried utilities for you (electric, gas, water, cable TV, etc.). This is a free service, so stay safe and Call Before You Dig.

**Know what's below.  
Call before you dig.**
