

## Incentives for energy efficient upgrades for commercial applications

### HELPING BUSINESSES REDUCE THEIR ENERGY BILL

Sure Bet is an incentive program designed to help customers facilitate the implementation of cost effective energy efficiency improvements. Nevada Power and Sierra Pacific Power Companies are pleased to offer the Sure Bet Program to their commercial business, industrial, and institutional customers for a limited time only.

### PROGRAM PROCESS SUMMARY

- Submit a Sure Bet Pre-Notification Application\*\* for Prescriptive and Custom Incentives over \$7,500 (strongly recommended for all other projects to reserve funding)
- Install the qualified technology
- Complete, sign, and submit the Final Sure Bet Incentive Application\*\*
- Pre-and post-inspection may be required
- The incentive check will be sent within 4-6 weeks upon receipt and approval of the Final Application and associated documentation

*\*\* The Pre-Notification and final Application are the same form which can be downloaded from [www.NevadaSureBet.com](http://www.NevadaSureBet.com)*

## Commercial Incentive Program

## TWO TYPES OF INCENTIVES ARE AVAILABLE

### PRESCRIPTIVE INCENTIVES

Prescriptive Incentives are offered on a per unit basis for common energy saving technologies.

- Compact fluorescent lamps and fixtures
- Upgrading fluorescent fixtures with T8 or T5 lamps and electronic ballasts
- Occupancy sensors to control lighting
- LED Traffic Signals
- HID to T5s
- LED exit signs
- High EER or SEER package air conditioning units
- Set-back thermostats
- Window Film
- Premium efficiency motors
- Refrigeration Measures
- Photovoltaics
- Vending Miser

*See the Prescriptive Applications for incentive amounts.*

*\* Based on the maximum kW savings that occurs on summer weekdays between 1:00 pm and 7:00 pm.*

### CUSTOM INCENTIVES

Custom Incentives are determined based on the estimated amount of electrical energy and peak demand savings.

Calculated as follows:

- \$100/peak kW saved\*
- \$0.03/annual kWh annual savings

*See the Custom Application for incentive amounts.*

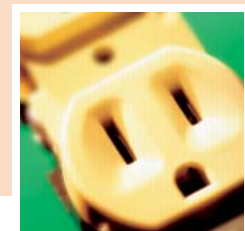

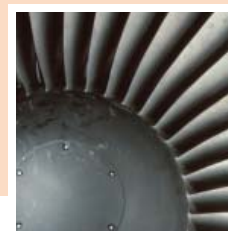

### LIMITED TIME OFFER

The total budget for incentives is limited and will be awarded on a first-come, first-served basis.

Incentive funds can be reserved for up to 90 days.

Applications must be postmarked no later than December 31 of the program year during which the project was completed.

*Our knowledgeable staff is here to help you achieve the highest possible savings*

### WHO CAN PARTICIPATE?

- Commercial, Industrial and Institutional customers
- Current Nevada Power or Sierra Pacific Power customers

### WHAT ARE THE BENEFITS TO PARTICIPATING BUSINESSES?

Businesses participating in the Sure Bet Program can receive the following:

- Cash incentives to help alleviate the costs of installing energy efficient measures
- Help with assessing electricity saving opportunities
- Flexibility to install custom measures that address customers' specific needs
- Assistance in identifying contractors for equipment purchase and installation
- Third party project inspection and proposal review
- Cost reductions in your electricity bill
