Notify NV Energy and submit the following documents below upon completion of your project. These documents are required to officially complete your project. Documents and samples are available online at NVEnergy.com/renewablegenerations, on the Resources and Links page.

- Copy of Itemized Invoices**
Include all invoices for materials, equipment, and labor. Invoices must show the services rendered by the C-2 electrical contractor.
- Building Permit and Final Inspection**
Building permit from local jurisdiction showing permission to build project and final inspection sign off.
- Voltage Verification Form**
Voltage verification must be performed and form signed by C-2 electrician.
- Public Display Statement** (Required only for Schools and Public Buildings)
Document reporting compliance with state legislation for public viewing of project.

When a complete Incentive Claim Form with all documents is received:

1. NV Energy will send the Customer of Record a Net Metering Agreement with instructions for signing and returning.
2. When NV Energy receives the signed Net Metering Agreement, NV Energy will conduct a final verification and set the meters within 10 business days.
3. NV Energy will send the incentive check upon successful final verification and meter set. Check processing usually takes 1-2 weeks.

The Applicant and Contractor/Consultant must sign this form.
