

Project Information Sheet

For Master Plan Umbrella or Addendum Feeder projects, use the form Project information Sheet-MP

Your completed submittal can be faxed to NV Energy at (702)402-0871, by sending us an e-mail at: ddlvpjinfosheetsubmittal@nvenergy.com or dropped off at our office at 7155 Lindell Rd, Las Vegas, NV 89118. Incomplete applications will cause delays in processing your request. For questions or additional information please contact us at (702)402-8400 Option 2. **Please type or print clearly.**

Project Title: _____

Parcel Number(s) (Per the Clark County Assessor): _____

Project Location (address or cross streets): _____

Is your project part of a Master Planned Community? Yes No

If Yes, MP Number: _____ MP Name: _____

Request Type (Check one):

(see right for explanation of terms)

Binding Design/Formal Planning

Would you like a Ballpark Cost Estimate? Yes No

Preliminary Diagram/Power Availability

Would you like a Ballpark Cost Estimate? Yes No

NVE Existing Facilities sketch/Red line

Binding Design/Formal Planning: Requesting a binding design, contract, and capacity reservation for new electric service for your project. Also includes upgrades to existing services and conduit-only and relocation projects. Charges will apply

Preliminary Diagram/Power Availability: Only requesting a preliminary diagram of the nearest source of electric capacity to serve a potential project at the time of the study. Not requesting binding design, contract, or capacity reservation at this time. Free of charge.

NVE Existing Facilities sketch/Red Line: Only requesting a sketch of existing NV Energy electric facilities on or adjacent to your project site. Not requesting binding design, contract, or capacity reservation at this time. Free of charge.

Applicant/Legal Owner (Party responsible for any required contracts and cost)

(If applicant is a business entity, it must be registered to do business in the State of Nevada and provide Utility documentation that is currently registered with the Nevada Secretary of State)

Legal Name: _____

Contact Person: _____ Email: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone: _____ Cell: _____ Fax: _____

Developer Dashboard ID# (If Applicable): _____

Third Party Point of Contact (if applicable)

(Must attach notarized Third Party Contact Authorization Form- see page 5)

All contact information for the choice of third party is located on the authorization form. Note: we can begin the project with the filled out copy but we will need the original **notarized** form turned into our office.

For NVE Use Only

Date Received: _____ Received by: _____ Method Received: _____

PR:#: _____ NDC UDC: _____ NVE PID: _____

Project Information Sheet

Date: _____

Estimated Construction Dates (not required for "NVE Existing Facilities Sketch/Red Line")

Start date of your on-site construction: _____ Date Permanent Electric Service needed by: _____

Projected Project Build-out date: _____ Is this a phased project? Yes No

(A project with multiple construction phases requires a phasing plan and absorption schedule.
Confer with your Coordinator once one has been assigned.)

Panel Sizes, Voltages and Phases:

For Binding Design/Formal Planning and Preliminary Diagram/Power Availability. All SqFt sizes and information to be filled out on Page 3. If more space is needed please add an additional sheet.

Residential Single Family Homes: Including Subdivisions, Custom Homes and Mobile Homes. Be sure to include any and all panels for Streetlights, Irrigation, Gate Service etc.

Existing	New	Main Panel Size	Voltage & # of Phases	# of Homes	Largest A/C Tonnage

Residential Multi-Family (Apartments, Condos and Townhomes): Be sure to include any and all panels for Streetlights, Irrigation, Gate Service etc.

Existing	New	Main Panel Size	Voltage & # of Phases	# of Panels	Meters Per Panel	Largest A/C Tonnage

Commercial / Industrial / General Service: Be sure to include any and all panels for Streetlights, Irrigation, Gate Service etc.

Existing	New	Main Panel Size	Voltage & # of Phases	# of Panels	Meters Per Panel

Project Information Sheet

Project Information Electrical Load Worksheet (SqFt and Building Type)

In the table below please enter the type of project being constructed and Square Footage information. This is required information for Binding Design/Formal Planning, Preliminary Diagram/ Power Availability and associated Ballpark Cost Estimates. Not required for NVE Existing Facilities Sketch/Red Line requests. If more space is needed, please add an additional sheet. Note that this is for New Additions Only.

Type	Description	# of Units	SqFt per Unit	(and/or) SqFt Total	Notes

Non-A/C Motors Information. If you have other large motors on your project or need more space, please fill out additional page located on the NDC website.

Type	Description	# of Motors	HP per Motor	Notes
22				Large Motor
24				Emergency Motor
25				Intermittent Motor (Gate/Elevator)

For Streetlights.

Type	Description	# of Lamps	Average Wattage Per Lamp	Notes
7				Street Lights

Type	Residential
1	Custom Homes over 3000 SqFt.
2	Single / Multi- Family Units
3	Multi - Family Clubhouse
4	Hi-Rise Condo - Tower
5	Hi-Rise Condo - Retail - Pub Space
6	Parking Garage
7	Street Lights - Number of lights

Type	Commercial / Retail
8	Commercial - General
9	Retail - General
10	Retail - Anchor
11	Retail with Grocery
12	Retail - Mall - Public Space
13	Office - Single Story
14	Office - Multiple Story
15	Restaurant - Stand Alone
16	Parking Garage
17	Convenience Store

Type	Industrial
