

Schedule No. ODM-1-TOU
OPTIONAL DOMESTIC SERVICE MULTI-FAMILY- TIME-OF-USE
EXPERIMENTAL

APPLICABLE

Service under this schedule is available as an option to the regular, non-TOU service under Schedule No. DM-1. This schedule is available to all domestic and other power service that would otherwise be served under Schedule No. DM-1. This schedule is offered on an experimental basis, and some restrictions may apply.

TERRITORY

Entire Nevada service area, as specified.

RATES

The charges applicable to this rate schedule are set forth in the currently effective Statement of Rates and are incorporated herein by reference. Bundled rates can be found beginning on PUCN Sheet No. 63G.

MINIMUM CHARGE

The minimum charge for service hereunder shall be the Basic Service Charge.

LATE CHARGE

The Utility may charge a fee as set forth in Schedule MC for the late payment of a bill.

SPECIAL CONDITIONS

1. **UEC.** The Universal Energy Charge (UEC), pursuant to NAC 702.150 through 702.450, will go to fund the Nevada fund for energy assistance and conservation. Under certain circumstances, Customers will be refunded amounts paid in excess of \$25,000 per calendar quarter. The Commission will administer the collection of the UEC, certify exemptions, and administer refunds. Exemptions are generally kWh sold to
 - a) Any governmental agency, including the State of Nevada and any political subdivision thereof, and
 - b) Any Customer using electrolytic-manufacturing processes.

Except as provided above, all kWh sold are subject to the charge. The UEC is not subject to the charges applicable under the Tax Adjustment Charge.

SPECIAL CONDITIONS (Continued)

2. **Time of Use Periods.** Daily time periods will be based on Pacific Standard Time and are defined as follows: (T)

Winter Period (October – June)

On-Peak 5:01 p.m. to 9:00 p.m. daily
 Off-Peak All Other Hours

Summer Period (July – September)

On-Peak 1:01 p.m. to 6:00 p.m. Weekdays
 Mid-Peak 10:01 a.m. to 1:00 p.m. and 6:01 p.m. to 9:00 p.m. Weekdays
 Off-Peak All Other Hours

The winter period will consist of nine regularly scheduled billing periods for service provided in the months of October through June. The summer period will consist of three regularly scheduled billing periods for service provided in the months of July through September.

3. **Metering Equipment.** All service rendered under this rate schedule shall be measured by metering equipment capable of determining energy use during specified hourly periods. (N)

4. **Application for Service.** Application for service hereunder will be accepted by the company on a first-come, first-serve basis. Required metering equipment will be installed accordingly, subject to availability. (D, N)

5. **Multiple Dwellings or Units of Multi-Unit Complexes.** Except for master metered mobile home parks, service hereunder shall not be provided to multiple dwellings or units of multi-unit complexes, which are served through a common meter, for domestic water pumping where water is delivered to more than one living unit, or for installations with separately metered water heating. (D, N)

6. **Contract for Service.** Utility shall require a contract for service hereunder for a minimum of not less than one year. Once selected, this rate schedule will be applied in every billing period for the duration of the contract, applicability conditions for other rate schedules not withstanding. (N)

SPECIAL CONDITIONS (Continued)

7. **Demographics.** With the Customer's consent, the Utility will collect the following information about its residential TOU Customer: demographic and dwelling characteristics, such as age of Customers' premise, size of premise in square footage, age of appliances, method of heating, method of cooling, income range, number in household, specific dwelling type (e.g., single or double story), and zip code

8. **Non-Guarantee.** The Utility is under no obligation to apply this schedule except at the express request of the Customer. The Utility does not guarantee that this schedule will benefit the requesting Customer. The schedule will become effective one full billing cycle after the Customer's request, subject to availability of time-of-use Meters.

9. **Guarantee.** For each residential TOU Customer, the Utility will, at the conclusion of the first year of service to that Customer under TOU rates, compare (a) the total actually paid by the residential TOU Customer for consumption (i.e., for the metered quantity of kilowatt-hours ["kWh"] used by the Customer) with (b) the amount that would have been paid for the same level of consumption under the otherwise applicable standard residential rate schedule. If the amount paid by the residential Customer for consumption under TOU rates is higher than the amount that would have been paid under the otherwise applicable residential rate per kWh, the Utility will credit the difference to the Customer's account and request that the customer inform the Utility if they want to terminate Optional TOU service. If the Customer responds and requests termination, the Utility will return the Customer to the otherwise applicable standard residential rate schedule. If the Customer remains on the Optional TOU Schedule there is no further guarantee.
