

**SCHEDULE NO. RNME**

**RETROFIT NEIGHBORHOOD MAIN EXTENSIONS**

**APPLICABILITY**

This schedule is applicable to all residential gas customers whose residence is within a neighborhood which is served via a gas main extension for which a portion is being financed through the Residential Neighborhood Rate Program for Retrofit Gas Main Extensions, as described in Gas Rule No. 9.

For each such neighborhood identified in this schedule, each customer will pay the associated monthly Neighborhood Main Extension Charge as part of their monthly bill for service. This charge will be effective throughout the stated applicability period, or until such time as these charges have fully paid for the qualifying line extension costs, as described in Gas Rule 9.
