

Schedule GSHEVRR – TOU
GENERAL SERVICE HYBRID ELECTRIC VEHICLE RECHARGE RIDER – TIME-OF-USE

APPLICABLE

This rider is offered to Customers who, in conjunction with the Utility’s general service time-of-use rate schedules for the purchase of electricity and use of electricity for the charging of hybrid electric vehicles (HEV) at locations separately metered by the Utility. Service under this schedule is subject to meter availability. Special off-peak periods and discounted rates apply only to optional time-of-use customers (Schedules OGS-TOU and OLGS-1-TOU). For all non-optional general service time-of-use rate schedule customers, the time-of-use rates and periods, as set forth in those schedules, will apply to electric vehicle recharge usage.

The Customer must provide proof of registration of the (HEV) prior to service under this rider.

TERRITORY

Entire Nevada Service Area, as specified.

RATES

For optional time-of-use customers discounted rates for consumption during the special off-peak period described in Special Condition 2 are applicable to consumption during that period for the applicable rate class and are set forth in the currently effective Statement of Rates which is incorporated herein by reference. Bundled rates can be found beginning on PUCN Sheet No. 10.

MINIMUM CHARGE

The minimum charge for service hereunder shall be the sum of the Basic Service Charge and the Additional Meter Charge of the otherwise applicable time-of-use rate schedule.

(N)
(N)

LATE CHARGE

The Utility may charge a fee as set forth in Schedule MC for the late payment of a bill.

SPECIAL CONDITIONS

1. **UEC.** The Universal Energy Charge (UEC), pursuant to NAC 702.150 through 702.450, will go to fund the Nevada fund for energy assistance and conservation. Under certain circumstances, Customers will be refunded amounts paid in excess of \$25,000 per calendar quarter. The Commission will administer the collection of the UEC, certify exemptions, and administer refunds. Exemptions are generally kWh sold to:

- a) Any governmental agency, including the State of Nevada and any political subdivision thereof, and
- b) Any Customer using electrolytic-manufacturing processes.

Except as provided above, all kWh sold are subject to the charge. The UEC is not subject to the charges applicable under the Special Supplementary Tariff.
