

Don't Be Left in the Dark

There are some things we can't predict, like the weather. With MyAccount, you have our resources with you no matter where you are.

We're pretty proud of the reliable service we provide, but if a power outage occurs, our new outage map and notifications can notify you by text or email if they happen, show you where they are, and alert you when the power is restored. So you always know what's going on in case Mother Nature turns things off. Sign up today for outage notifications on MyAccount at nvenergy.com.

The Seasons Change but your Bill Doesn't Have To.

Wouldn't it be simpler to have the same energy bill every month? When you sign up for NV Energy's Equal Payment plan you can. Pay the same amount every month based on your average energy use. Just one of the many choices available on MyAccount at nvenergy.com/paymyway. Sign up today.

Anytime, Anywhere

With new MyAccount tools, it's like having all of our resources with you anytime, anywhere. You can receive weekly summaries, alerts and outage notifications on your mobile device. Sign up for MyAccount today at nvenergy.com.

“What an incredibly useful tool the “Cost to date Weekly Bill Summary” emails are! We have several different accounts with NV Energy due to rental properties we manage and it is so helpful to be able to project expenses as needed for each property. This was a terrific idea and well executed.”

Customer M.

We're putting all of our energy into your energy.

Simple Steps to Save

Ever wonder why NV Energy offers energy efficiency and conservation programs? From simple tips to rebate programs, saving energy saves everyone money...and it helps our environment. And thanks to many of our customers, we've saved a lot over the years. See what works best with your lifestyle and budget by visiting nvenergy.com/savemyway.

Whether you have an old working refrigerator in the garage and could use \$50 for it, or you're a technology buff and would like to control your thermostat from your mobile device with mPowered, we have lots of options for you. The less power that's produced, the lower the costs.

Consumer Alert

Scam artists posing as our employees are calling our customers and asking for immediate payment by credit card, cash transfer, or reloadable debit card to avoid a service interruption or receive new electric equipment.

NV Energy does not call customers to solicit payments for any reason. Customers who are at risk of having their power disconnected because of nonpayment will receive a 10-day and 48-hour notice via U.S. Mail.

If you are contacted for a payment, please refuse and call local law enforcement. You may also call Customer Service in Las Vegas at 702-402-5555 or 775-834-4444 in northern Nevada.
