

Senior Energy Assistance Expo

Income qualified seniors, age 62 and older, may receive Project REACH energy assistance to help pay a past due bill on an active account if they have not received any form of energy assistance during the prior 12-month period. Stop by the Cashman Center, 850 Las Vegas Boulevard North, Hall A, on Saturday, August 6, between 8 a.m. and noon. Please visit nvenergy.com/help to learn more details about the Project REACH application process.

Memorial Day 2016

NV Energy honors all men and women who have died in military service for the United States. Our offices will be closed in observance of this holiday on Monday, May 30.

For emergencies, please call our customer service number at (702) 402-5555 for southern Nevada, and (775) 834-4444 for northern Nevada.

Keeping Cool

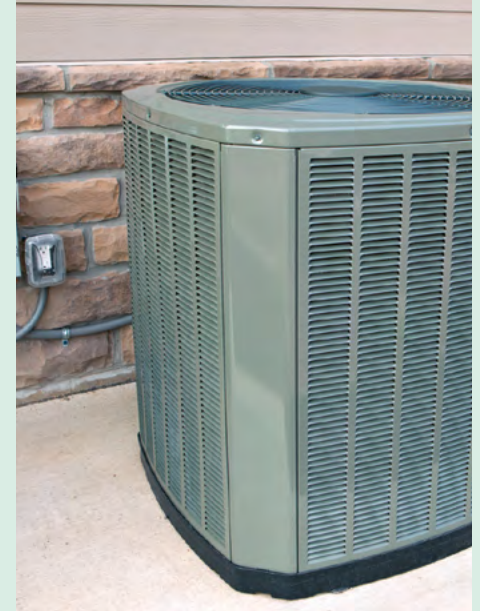

We have some tips to help you reduce energy waste and save money. As temperatures rise, remember to close blinds and drapes during the day to keep heat out.

Set your thermostat to 78-80 degrees when home and five to 10 degrees warmer at night or when you're not home.

Barbecue outdoors when practical, keeping in mind the heat and effect of the sun on your body. Reducing the heat coming into your home from any source, such as cooking, will reduce the load on your air conditioning.

If your A/C unit is on the ground, keep the area around it clean and free of obstructions to maintain air flow.

Set It and Forget It

It's easy and simple. No checks, stamps, fees, or waiting in line. Just log into MyAccount at nvenery.com. Look for the menu item "Automatic Monthly Payments" and follow the directions to set up your recurring payments.

Please continue to pay your bill as usual until you see a "Do Not Pay" message on your statement. Once that happens, your payment will be deducted on the date it is due.
