

NV Energy

is your partner in **saving**
energy and **money**.

MyACCOUNT

NV Energy's online tools, combined with our energy efficiency programs, make it easier and more convenient for you to manage your energy use. And they can help you save money. Log into **MyAccount** from your personal computer, or download our mobile app from iTunes or Google Play, to get up-to-date information on how much energy you're using and its costs. We'll also send you a weekly summary to help you keep track from week to week.

need to add the postage stamp. Or you can pay in person at an authorized **Shop & Pay** or kiosk location and the payment will be posted to your account the same day. More than 220 supermarkets and drugstores statewide offer this service. They're all listed on our website at nvenergy.com/paymyway.

SEE THE FUTURE

Take the guesswork out of budgeting. With **Equal Pay**, we take your previous year's average power usage and divide it into equal monthly payments so you'll know the cost of your bill each month. **Select Your Due Date** to choose which day of the month you want your bill to be due. Or, say goodbye to your bill and pay as you go with our **FlexPay** service.

THE POWERSHIFT BUNDLE

We've bundled three free services into one appointment to save you time, energy and money. PowerShift delivers savings to your door with one appointment – schedule yours today. Our Energy

MORE OPTIONS, LESS HASSLE

Paying your bills online is more convenient than ever. Set up **Automatic Monthly Payments** from your bank account or enroll in **Paperless Billing**. We'll notify you monthly by email when your bill is ready to view online. This option also gives you access to the features available in MyAccount. NV Energy offers other ways to take the hassle out of paying bills. You can pay through our website, **Check-By-Phone**, or over the phone using a credit card or ATM card (there's a processing fee for this option).

Of course, you can pay by mail. Every bill we send includes a pre-addressed envelope, although you'll

RESIDENTIAL PRODUCTS & SERVICES

Advisor will assess how you use energy by inspecting insulation, appliances, doors, windows, lighting and other features. You'll receive personalized tips and recommendations to increase your energy efficiency. Plus, we'll install LED bulbs and air filters to keep the savings going.

This energy-saving opportunity will also include the installation of a free smart thermostat. Setting heating and cooling schedules is made easy with this energy management technology that lets you monitor your usage 24/7 and adjust your home's temperature with our convenient mobile app. And, you'll up your savings when you participate in Community Energy Events. For details, email powershift@nvenergy.com or call **855-676-9373**.

THE POWER OF PARTNERSHIPS

PowerShift's Qualified Appliance Replacement brings greater energy efficiency to income eligible households. Whether you own or rent your home, you can qualify to replace older appliances with select, more efficient refrigerators and electric dryers. To keep the savings going year round, you can also receive several energy-efficient products. For qualification details and applications, visit nvenergy.com/qar or call **833-513-0960**.

LET'S SEE HOW YOU'RE USING ENERGY

Want to know how you're using energy and what to do to save on monthly bills? It's easy with our free online home energy assessment. Simply log on to NV Energy's MyAccount portal on our website and complete the home assessment. You'll quickly see how you use energy by appliance, receive personalized tips and recommendations and compare usage over months. Take yours today!

CLEAN ENERGY FUTURE

As a leader in providing low-cost renewable energy to our residential customers, we're committed to supporting efforts for the installation and use of clean energy solutions at your home. We offer a variety of tools and resources for those interested in private solar generation and electric vehicles, including special time-of-use rates for electric vehicle owners. And, incentives are available for our customers who install solar-integrated energy storage systems. Learn more at nvenergy.com/cleanenergy or call **866-786-3823**.
