GENERAL GUIDLINES

DOCUMENTATION:

The **PURCHASE ORDER NUMBER AND THE FULL NAME OF NVENERGY'S BUYER** **MUST** be on the Vendor Pick Up request form and Bill of Lading. A detailed packing list **MUST** accompany each Bill of Lading and product invoice. All paperwork **MUST** have the following information: Nevada Power Company dba NV Energy or Sierra Pacific Power Co. dba NV Energy purchase order number, project name, supplier name, supplier address, supplier contact, supplier telephone number, supplier shipping hours, supplier order number, full consignee name, consignee address, consignee contact, consignee telephone number, pieces, weight, shipment ready date, special instructions if applicable and name of the buyer.

PACKING, FREIGHT CLASSIFICATION AND LOADING PARAMETERS:

All packaging methods and merchandise descriptions must adhere to NMFC (National Motor Freight Classification) guidelines. A complete commodity description is required. It is understood that all goods are cartoned and can be shipped by standard means as detailed in these instructions.

DELIVERY DATES:

Supplier or buyer will provide required shipping dates. Supplier **MUST** contact C.H. Robinson Worldwide for transit times associated with shipping product to meet delivery dates. It is the supplier's sole responsibility to adhere to delivery dates by utilizing C.H. Robinson Worldwide. If a standard means of transportation will not achieve the required transit time as a result of supplier constraints or problems, contact the buyer and C.H. Robinson Worldwide, Inc immediately.

PARTIAL SHIPMENTS:

Shipments from the same facility, going to the same destination, on the same day **MUST** ship under the same Bill of Lading. **DO NOT** split orders into individual shipments without prior authorization from the buyer or C.H. Robinson Worldwide, Inc
