Dear Ms. Osborne:

Attached please find Sierra Pacific Power Company's ("Sierra's") three volume Certification filing addressing rate design issues. This Certification filing is made in accordance with NRS §704.110(3) and the Commission's prehearing conference order. Through this filing Sierra certifies to known and measurable changes in its results of operations estimated in its direct filings. This Certification filing provides results of operations for its Electric business, updated through the close of the "Certification Period," May 31, 2016. This Certification filing consists of the following documents:

- Volume 1: Transmittal Letter, Table of Contents, Certificate of Service
- Volume 2: Certification Exhibit A-1, A-2, Statement O and Statement O Work Papers
- Volume 3: Certification Statement O and Statement O Work Papers Per NRS and Certification Testimony of Laura Walsh, Jeff Bohrman, Tim Pollard, Janet Wells and Trevor Dillard, each addressing rate design issues

The public file includes redacted versions of Statement O and Statement O workpapers.
