RE: Docket No. 16-06006: Sierra Pacific Power Company d/b/a NV Energy's Application addressing its annual revenue requirement for general rates charged to all classes of electric customers; and

Docket No. 16-06007: Sierra Pacific Power Company d/b/a NV Energy's Application addressing its annual revenue requirement for general rates charged to all classes of natural gas customers

Dear Ms. Osborne:

Attached please find Sierra Pacific Power Company's ("Sierra's") nine volume Certification filing addressing revenue requirement issues. This Certification filing is made in accordance with NRS §704.110(3) and the Commission's prehearing conference order. Through this filing Sierra certifies to known and measurable changes in its results of operations estimated in its direct filings. This Certification filing provides results of operations for both its Electric and Gas businesses, updated through the close of the "Certification Period," May 31, 2016. This Certification filing consists of the following documents:

- Volume 1: Transmittal Letter, Table of Contents, Certificate of Service
- Volume 2: Certification Testimony Addressing Revenue Requirement Issues
- Volume 3: Electric Certification Statements and Schedules
- Volume 4: Gas Certification Statement and Schedules
- Volume 5-7: Electric Certification Work Papers
- Volumes 8-9: Gas Certification Work Papers

The public file includes redacted versions of Electric Statement J and Electric Statement J workpapers. A confidential version of Electric Statement J and Electric Statement J workpapers will be filed under seal pursuant to the Commission's regulations. The redacted information is confidential because it shows usage and costs of a discrete customer. In order to maintain the confidentiality of customer information, Sierra has designated this information as confidential pursuant to NRS §703.196 and NAC §703.5274 and asks that confidentiality be maintained for a period of five years.
