SPECIAL CONDITIONS

- Visits.** A Visit occurs whenever a Customer requires the dispatch of Utility personnel to the Customer's premise. The Visit charge also applies when the requested call-out is not related to problems with the Utility-owned facilities whether or not actual repair and/or actions are taken by the Utility. The Utility shall take only those emergency actions and make minor repairs involving non-Utility facilities which would prevent serious hardship or property damage. New Line Extensions or modifications to the Utility's existing electric system shall be made under the provisions of Rule No. 9, Line Extensions.

The outside regular hours rate is to be applied whenever the Customer requests service outside of regular business hours or within four hours after Customer request.
