

Schedule NSMO-2
NON-STANDARD METERING OPTION (“NSMO”) RIDER
NON-RESIDENTIAL SERVICE

(T)

APPLICABLE

The NSMO Rider is available to Customers who receive Incentive Natural Gas Rate (INGR), Gas for Compression (COMP), Small Commercial and Industrial Natural Gas Service (SCNG), Large Commercial and Industrial Natural Gas Service (LCNG) and Liquefied Petroleum Gas Service (LPG) Commercial Services, subject to the special terms and conditions set forth in this Schedule. The Utility will refrain from requesting changes to the existing rates established in this Schedule before January 1, 2019, pursuant to Commitment No. 9 that was approved by the Public Utilities Commission of Nevada in Docket No. 13-07021.

TERRITORY

Entire Nevada Service Area, as specified.

DESCRIPTION OF SERVICE

A Customer who receives INGR, COMP, SCNG, LCNG, or LPG Commercial Services may request the Utility to provide non-standard metering service to the Customer’s Premise pursuant to this NSMO Rider. Provided that the Customer meets the requirements set forth in the Special Condition section of this NSMO Rider and within a reasonable time of receiving such request, the Utility shall grant the request to provide non-standard metering service.

RATES

NSMO-2

\$0.00 – Initial Fee;
 \$0.53 – Per Meter Per Month

All rates charged under this NSMO Rider are in addition to charges, rates and fees contained in the Customer’s otherwise-applicable rate schedule (“OARS”). Service under this NSMO Rider shall commence following the date of meter installation. Accordingly, the Utility shall include the full amount of the Initial Fee and the Per-Meter-Per-Month Fee on the Customer’s first bill following installation of the non-standard meter.

METERING EQUIPMENT

The non-standard meter option is an analog gas meter. The Utility shall remove and refrain from installing a communication module that communicates with the Utility’s advanced service delivery network.

SPECIAL CONDITIONS

1. **Application for Service.** Application for service hereunder will be accepted by the Company on a first-come, first-serve basis and is pursuant to the requirements set forth in this Rider. Required metering equipment will be installed accordingly, subject to availability. Service under the NSMO-1 and NSMO-2 schedules is limited to 4,500 services cumulatively.

2. **Customer who Receives Electric Service.** A Customer who also receives service from the Utility under Electric Tariff No. 1 must request and take service under Electric Schedule NSMO-2 in addition to service under this Rider.

3. **Right of Access.** The Utility will, at all reasonable times, have the right of access to a Customer’s premises for any purpose normally connected with the furnishing of gas energy and the exercise of the rights secured to it by law or these rules. A Customer will be removed from the NSMO tariff if they deny access to their premises.
