

Rule No. 10
CONTRACTS

- A. Service contracts will not be required as a condition precedent to service except:
1. Where required by provisions contained in a filed rate schedule.
 2. Where the building of a line extension or construction of other facilities will be necessary, in which case the term of the contract will be as stated in Rule No. 9, Line Extensions.
 3. Where temporary service is to be supplied under the provision of Rule No. 24, in which case the term of the contract will be of sufficient length to cover the period of contemplated operations.
 4. Where street lighting is to be supplied, in which case the term of the contract shall be not less than one year.
- B. Each contract for electric service will contain the following provision:
- The contract shall, at all times, be subject to such changes or modifications by the Public Service Commission as said Commission may from time to time direct in the exercise of its jurisdiction.
- C. Approval of Contract, and filing with the Commission:
- All contracts for service between the Utility and its Customers, except those specified in A.2 above, shall be subject to the approval of the Commission, and one executed copy shall be filed with the Commission.
- D. Except in those cases where a service contract is required, as specified in Rule 10.A above, service will be rendered under a Service Agreement. The Application for Service signed by the prospective Customer, when properly executed and signed by the Utility, shall become the Service Agreement.
1. Unless otherwise provided, Service Agreements for General Service shall have an initial contract period of not less than one month.
