

NVEnergy

SUMMER 2022

Beat THE Heat PAPERLESS SWEEPSTAKES

Time is Running Out

Our Beat the Heat Paperless Sweepstakes ends soon – don't miss out on your chance to win up to \$900! Customers who are currently enrolled in our paperless billing service, or who enroll before August 31, 2022, will be automatically entered to win. Paperless billing is a free and convenient service that provides you with secure access to your bill from your desktop or mobile device.

Several lucky NV Energy customers across Nevada have already won our sweepstakes and you could be next. Visit [nvenergy.com/paperless](https://www.nvenergy.com/paperless) for details.

Home Energy Saver

Did you know that heating, ventilation and air conditioning account for a large percentage of the average residential energy bill? NV Energy's Home Energy Saver service has solutions that provide enhanced home comfort while helping customers save on energy and equipment costs. Upgrade your existing system and take advantage of instant incentives from \$200 up to \$2,000. Eligible customers can also take advantage of a no-cost air conditioning tune-up. Visit [nvenergy.com/homeenergysaver](https://www.nvenergy.com/homeenergysaver) to learn more.

Notice of General Consumer Sessions

Customers of NV Energy are invited to a General Consumer Session conducted by the Public Utilities Commission of Nevada (PUCN). Customers are given an opportunity to appear and be heard on any topic concerning a public utility regulated by the PUCN. Public comments may be limited to three (3) minutes per person at the discretion of the Commission.

If within 15 minutes after the start of the Consumer Session no member of the public has appeared to participate or comment, the Consumer Session may be adjourned at the discretion of the Commission. Representatives of the utilities and the PUCN will be available to answer questions. For details, call the PUCN in northern Nevada at (775) 684-6101 or in southern Nevada at (702) 486-7210.

The sessions will be held:

WASHOE COUNTY

Monday, August 15, 2022 at 1 p.m. and 6 p.m.
Washoe County Commission Chambers
1001 E. Ninth St., Building A
Reno, NV 89512

Thursday, August 25, 2022 at 6 p.m.
Elko County Commission Chambers
Nannini Administration Building
540 Court St., Suite 102
Elko, NV 89801

CLARK COUNTY

Tuesday, September 20, 2022 at 1 p.m. and 6 p.m.
Public Utilities Commission of Nevada
9075 W. Diablo Dr., Suite 250 (Hearing Room A)
Las Vegas, NV 89148

Exceeding Expectations

For the 12th consecutive year, NV Energy has exceeded the state's renewable energy requirement, which currently sits at 24 percent. We are proud of our clean energy achievements, including serving our customers with 30.7 percent renewable energy from 57 large-scale geothermal, solar, solar plus storage, hydro, wind and biomass projects both in service and under development. The company is well on its way to meeting Nevada's renewable portfolio standard of 50 percent by 2030, and its long-term goal of providing 100 percent renewable energy while maintaining stable and affordable rates.

We Care About Your Safety

NV Energy's top priority is the safety of the public and its employees. It doesn't take much to be seriously injured from even a small amount of electricity. If you see NV Energy workers in your area, keep your distance – they could be working on live electrical equipment. Visit [nvenergy.com/safety](https://www.nvenergy.com/safety) for important tips, and call customer service 24/7 to report any safety concerns.
