

2025 INTEGRATED RESOURCE PLANNING INITIAL CONSUMER SESSION

Nevada Power Company d/b/a NV Energy and Sierra Pacific Power Company d/b/a NV Energy (collectively, "NV Energy") have scheduled a Consumer Session to receive public input on their integrated resource planning. The Consumer Session is an opportunity for NV Energy to receive input on load forecast development, data inputs and assumptions, and plan development. This consumer session is being conducted by NV Energy and is not a Public Utilities Commission of Nevada-sponsored proceeding.

The Consumer Session is set as follows:

CONSUMER SESSION

Thursday, March 20, 2025, at 6 p.m.
Hearing Room A
Public Utilities Commission of Nevada
1150 East William Street
Carson City, Nevada 89701

Proceedings will be videoconference-linked to:

Hearing Room A
Public Utilities Commission of Nevada
9075 West Diablo Drive, Suite 250
Las Vegas, Nevada 89148

With its integrated resource plan proposal, NV Energy intends to seek, among other requests, approval of resources to increase supply of electricity to its customers, including transmission projects.

Members of the public can participate in person or telephonically by dialing (702) 870-3481 and entering phone conference ID 205 069 657#. Members of the public can also access and view the consumer session at the time noticed via the Commission's live stream link on its website at <https://puc.nv.gov>.

Public comments may be limited to three minutes per speaker. NV Energy will endeavor to make reasonable accommodations for members of the public who are disabled and wish to participate in the Consumer Session. If special arrangements for the Consumer Session are necessary, please notify NV Energy at ConsumerSessions@nvenergy.com at least two business days prior to the Consumer Session.

Interested persons may also submit written comments instead of, or in addition to, participating in the Consumer Session electronically to NV_Energy_ConsumerSessions@nvenergy.com, or via hand-delivery or U.S. Mail addressed to NV Energy Rates/Regulatory Affairs, M/S 50, 6100 Neil Road, Reno, NV 89511 or NV Energy Corporate Communications, M/S 15, 6226 W. Sahara Ave., Las Vegas, NV 89146. Any written input and suggestions for utility consideration must be provided by any interested person within 10 business days of the completion of the consumer session.

Neither NV Energy nor the Public Utilities Commission of Nevada are responsible for providing clerical or administrative assistance or materials to parties during the Consumer Session. If such assistance is necessary, parties must make other arrangements for this type of assistance.
