

Rule No. 8

CONTINUITY OF SERVICE

A. Shortage and Interruption

The Utility will exercise reasonable diligence to furnish a continuous and sufficient supply of electricity to its Customers and to avoid any shortage of interruption of delivery thereof. It cannot, however, guarantee complete freedom from interruption.

B. Temporary Suspension for Repairs

The Utility will have the right to suspend service temporarily for the purpose of making necessary repairs or improvements to its system. When this becomes necessary, it will give to the customers who may be affected as reasonable notice thereof as circumstances will permit, and will prosecute the work with reasonable diligence.

C. Apportionment of Supply During Time of Shortage

During times of shortages of supply, the Utility will apportion its available supply of electricity among its Customers in accordance with Utility's Voluntary and Mandatory Local Curtailment Plan on file with Commission.

D. Non-performance

Any agreement for service hereunder between Utility and Applicant or Customer is hereby subject to the Rules of Contract Law as they apply to impossibility of performance in the State of Nevada.
