

Rule No. 10

CONTRACTS

A. Service contracts will not be required as a condition precedent to service except:

1. Where required by provisions contained in a filed rate schedule, in which case the term of the contract will be that specified in the Schedule.
2. Where the building of a line extension or construction of other facilities will be necessary, in which case the term of the contract will be as stated in Rule No. 9, Line Extensions.
3. Where Temporary Service is to be supplied under the provision of Rule No. 15, in which case the term of the contract will be of sufficient length to cover the period of contemplated operations.
4. Where street lighting is to be supplied, in which case the term of the contract shall be not less than one year.

B. Each contract for electric service will contain the following provision:

This contract shall, at all times, be subject to such changes or modifications by the Public Service Commission as said Commission may from time to time direct in the exercise of its jurisdiction.

C. Approval of Contracts, and filing with the Commission

All contracts for service between the Utility and its Customers, except those specified in A.2. above, shall be subject to the approval of the Commission, and one executed copy shall be filed with the Commission.
