

Rule No. 12
ESTABLISHMENT, MAINTENANCE AND REESTABLISHMENT OF CREDIT

A. Requirement for Satisfactory Credit

The Utility may require an Applicant for service to establish Satisfactory Credit before Utility furnishes electric service. Further, the Utility may require existing customers to maintain Satisfactory Credit as prescribed in Rule No. 1 as a condition of continued service. Customers who have not maintained Satisfactory Credit may be required to reestablish credit prior to reestablishing service.

B. Service Under Residential Tariffs

1. Establishing Credit.

a. Credit may be established by an Applicant by:

- i. maintaining prior Utility service with Satisfactory Credit as prescribed in Rule No. 1; or
- ii. receiving Residential Service from another municipal or regulated energy utility within the preceding two years and having made timely payment of each bill during the 12 months immediately preceding the request for service from Utility; or
- iii. obtaining a satisfactory credit score on the credit risk model utilized by the Utility for analyzing the credit risk presented by new customers; or
- iv. making a cash Deposit to ensure the payment of bills for service as prescribed by Rule No. 13.

b. The Utility shall provide, at the request of a Customer, a form to request the Customer's credit history from another Utility.

c. The Utility may not require a Customer to use a Guarantor to begin service, though the Customer may opt to use a Guarantor as prescribed in Rule No. 13.
