

Rule No. 24  
TEMPORARY SERVICE

A. Establishment of Temporary Service

The Utility will, if no undue hardship to its existing Customers will result therefrom, furnish temporary service under the following conditions:

1. The installation and removal, including cost responsibilities, of all required electric facilities except metering shall be governed by the requirements of Rule 9, Line Extensions.
2. Where the duration of service is to be less than one month, the applicant will also be required to advance a sum of money equal to the estimated bill for the service. If this advance exceeds the actual bill when known, the excess will be returned to the applicant; if it is less than the actual bill, a bill for the deficit will be presented for payment.
3. Where the duration of service is to exceed one month, the applicant may also be required to establish his credit in the manner as prescribed in Rule No. 12.
