

**Schedule D-1**  
**DOMESTIC SERVICE**

**APPLICABLE**

This schedule is applicable to all domestic power service to separately metered single family dwellings where no other Domestic Service rate schedule is applicable. This schedule is also applicable to churches, chapels other than marriage chapels, and other buildings used for religious worship, owned and operated by some recognized religious society or corporation, save and except religious schools. This schedule is also applicable to master metered mobile home parks when demand is less than fifty (50) kW and monthly energy consumption is less than 10,000 kWh. This Domestic Service includes technologies on the customer's side of the electricity meter, including, without limitation, energy production, energy savings, energy consumption, energy storage or energy shifting technologies, provided that such technologies do not compromise the safety and reliability of the utility grid.

**SPECIAL CONDITIONS**

1. **UEC.** The Universal Energy Charge (UEC), pursuant to NAC 702.150 through 702.450, will go to fund the Nevada fund for energy assistance and conservation. Under certain circumstances, Customers will be refunded amounts paid in excess of \$25,000 per calendar quarter. The Commission will administer the collection of the UEC, certify exemptions, and administer refunds. Exemptions are generally kWh sold to:
  - a) Any governmental agency, including the State of Nevada and any political subdivision thereof, and
  - b) Any Customer using electrolytic-manufacturing processes.

Except as provided above, all kWh sold are subject to the charge. The UEC is not subject to the charges applicable under the Tax Adjustment Charge.

2. **Separately Metered Water Heating Service.** Consumption for separately metered water heating service shall be billed in combination with other domestic service consumption under the rates set forth in this schedule, except that an additional minimum charge shall not be made.
3. **Multiple Dwellings or Units of Multi-Unit Complexes.** Except for master metered mobile home parks, service hereunder shall not be provided to multiple dwellings or units of multi-unit complexes, which are served through a common meter, or for domestic water pumping where water is delivered to more than one living unit.
