Bill Payment Options

Customers choosing to pay their utility bills through an authorized third party vendor may be charged a convenience fee. Customers will be notified of any such convenience fee prior to completing the transaction. The convenience fee goes directly to the third party vendor and does not go to the Utility. The third party vendor remits the exact amount of the Utility bill to NV Energy. The Utility does not accept credit card, ATM/debit card payments directly, all such payments are made through the third party vendor.

--	--------

¹An additional transaction fee is assessed for each multiple of the payment limit.

SPECIAL CONDITIONS

- Visits.** A Visit occurs whenever a Customer requires the dispatch of Utility personnel to the Customer's Premises. The Visit charge also applies when the requested call-out is not related to problems with the Utility-owned facilities whether or not actual repair and/or actions are taken by the Utility. The Utility shall take only those emergency actions and make minor repairs involving non-Utility facilities which would prevent serious hardship or property damage. New Line Extensions or modifications to the Utility's existing electric system shall be made under the provisions of Rule No. 9, Line Extensions.

The outside regular hours rate is to be applied whenever the Customer requests service outside of regular business hours or within four hours after Customer request.

For customers that require custom services beyond those services specifically outlined in this Tariff, the Company will prepare an invoice and bill on actual charges.
