

**Schedule No. NSMO-1**  
**NON-STANDARD METERING OPTION (“NSMO”) RIDER RESIDENTIAL SERVICE**  
**(Continued)**

**APPLICABLE**

This NSMO-1 Rider is available to Customers who receive Residential Service, subject to the special terms and conditions set forth in this Schedule. The Utility will refrain from requesting changes to the existing rates established in this Schedule before January 1, 2020, pursuant to Commitment No. 9 that was approved by the Public Utilities Commission of Nevada in Docket No. 13-07021. (T)

**TERRITORY**

Entire Nevada Service Area, as specified.

**DESCRIPTION OF SERVICE**

A Customer who receives Residential Service may request to have the Utility install a non-standard meter at the Customer’s Premise pursuant to this NSMO-1 Rider. Provided that the Customer meets the requirements set forth in the Special Condition section of this NSMO-1 Rider, within a reasonable time of receiving such request, the Utility shall install a non-standard meter as defined in the Metering Equipment section of this NSMO-1 Rider. Customer must request the installation of a non-standard meter by using the methodology specified by the Utility. (T)  
(T)  
(T)

**RATES**

NSMO-1  
\$52.86 – Per Meter Initial Fee;  
\$8.82 – Per Meter Per Month

All rates charged under this NSMO-1 Rider are in addition to charges, rates and fees contained in the Customer’s otherwise-applicable rate schedule (“OARS”). Service under this NSMO-1 Rider shall commence following the date of meter installation. Accordingly, the Utility shall include the full amount of the Per-Meter-Initial-Fee and the full amount of the Per-Meter-Per-Month charge on the Customer’s first bill following installation of the non-standard meter. (T)  
(T)

**METERING EQUIPMENT**

The non-standard meter is an analog meter.

**SPECIAL CONDITIONS**

- Application for Service.** Application for service hereunder will be accepted by the Utility on a first-come, first-serve basis and is pursuant to the requirements set forth in this Rider. Required metering equipment will be installed accordingly, subject to availability. Service under the NSMO-1 Rider and NSMO-2 Rider is limited to 12,000 services cumulatively.

**Schedule No. NSMO-1**  
**NON-STANDARD METERING OPTION (“NSMO”) RIDER RESIDENTIAL SERVICE**  
**(Continued)**

**SPECIAL CONDITIONS** (Continued)

2. **Time-of-Use Rates, Net Metering and Standby Service.** A Customer who receives service pursuant to this NSMO-1 Rider is not eligible to receive service under any Time-of-service schedule offered by the Utility. A Customer who receives service pursuant to this NSMO-1 Rider is not eligible to receive service under Schedule No. NMR-A-Net Metering Rider-A, Schedule No. NMR-B-Net Metering Rider-B, Schedule No. NMR-405-Net Metering Rider-405, Schedule No. NMR-G-Net Metering Rider-G, Schedule No. SSR Small Standby Service Rider or Schedule No. LSR Large Standby Service Rider. (T)  
(T)  
(N)  
(N)  
(N)
3. **Other Optional Programs.** A Customer who receives service pursuant to this NSMO-1 Rider may not be eligible to participate in optional programs offered by the Utility if the Utility determines, in its reasonable discretion, that the NSMO service makes the Customer’s participation in the optional program inefficient, not feasible, or too costly. (T)
4. **Failure to Make Timely Payment.** Any Customer who fails to make timely payments towards the Customer’s bill in accordance with the provisions of Rule 5(B) twice in any 12-month period shall not be eligible for service under this NSMO-1 Rider. (T)
5. **Tampering or Intent to Defraud.** If the acts of the Customer or the conditions upon the Customer’s Premise are such as to indicate to the Utility that the Customer intends to defraud the Utility or the Customer tampers or interferes with the operation of the Utility’s Meter, the Utility may deny any request for, or revoke, service under this NSMO-1 Rider. (T)
6. **Right of Access.** The Utility may deny service under this NSMO-1 Rider to any Customer who, twice in any twelve month period, interferes with the Utility’s right to access the Customer’s Premise as provided for in Rule 16(A)(5) or Rule 16(D). The Utility shall provide any such Customer 30-days’ notice of the Utility’s intention to install a standard meter. (T)
