

**Schedule RM**  
**RESIDENTIAL SERVICE - MULTI - FAMILY**

**APPLICABLE**

For Residential Service to separately metered, permanent Single-Family Dwellings where such dwelling is a unit of a multi-unit complex, unless the dwelling received a Schedule RS class allowance pursuant to Rule 9. This schedule is not applicable to master metered mobile home parks. This class includes multi-family residential customers regardless of the technologies on the customer's side of the electricity meter, including, without limitation, energy production, energy savings, energy consumption, energy storage or energy shifting technologies, provided that such technologies do not compromise the safety and reliability of the utility grid.

(N)

(N)

**TERRITORY**

Entire Nevada Service Area, as specified.

**RATES**

The charges applicable to this rate schedule are set forth in the currently effective Statement of Rates and are incorporated herein by reference. Rates can be found beginning on PUCN Sheet No.10.

**MINIMUM CHARGE**

The minimum charge for service hereunder shall be the Basic Service Charge.

**LATE CHARGE**

The Utility may charge a fee as set forth in Schedule MC for the late payment of a bill.

**SPECIAL CONDITIONS**

1. **UEC.** The Universal Energy Charge (UEC), pursuant to NAC 702.150 through 702.450, will go to fund the Nevada fund for energy assistance and conservation. Under certain circumstances, Customers will be refunded amounts paid in excess of \$25,000 per calendar quarter. The Commission will administer the collection of the UEC, certify exemptions, and administer refunds. Exemptions are generally kWh sold to:
  - a) Any governmental agency, including the State of Nevada and any political subdivision thereof, and
  - b) Any Customer using electrolytic-manufacturing processes.

Except as provided above, all kWh sold are subject to the charge. The UEC is not subject to the charges applicable under the Special Supplementary Tariff.
