

ELDERLY/DISABLED GUEST APPLICATION

To be completed by the elderly guest or NV Energy Customer of Record:

NV Energy makes every effort to provide safe, reliable service to our customers. To ensure that a temporary, elderly guest age 62 years or older and/or disabled guest in your household is identified, please complete and return this application with a copy of the elderly guest's valid ID and a physician's letter, if the guest is disabled.

Completion of this application does NOT allow for priority restoration of utility services in the event of an unplanned outage and does NOT prevent disconnection for non-payment. For billing assistance, please contact NV Energy customer service at (775) 834-4444 or (800) 962-0399 to set up payment arrangements or to enroll in the Equal Pay.
