

# **ELECTRIC SERVICE REQUIREMENTS**

**SOUTHERN NEVADA**

**JANUARY 2018 EDITION**

**Date of Publication:** January 3<sup>rd</sup>, 2018

**Disclaimer:** The information provided in this NV Energy ESR standards book is the best available on the date of publication. It is the responsibility of the user of this book to ensure that their referenced standard is the most recent revision available at that time. This may be done by confirmation with the individual standard document in the online database: <http://www.nvenergy.com/business/newconstruction/newconstructionS/servicestandards.cfm>
