

Engineering Requirements

Table of Contents

Design Standard for Parallel Generation of 10 MW or Less	RE-1
Design Standard for Parallel Generation Larger than 10 MW	RE-2
Net Metering Systems	RE-3
Customer-Owned Equipment Room Requirements	RE-4
Bridge & Overpass Conduit Support System Guidelines	RE-5
Separate Standby or Emergency Generation Transfer Systems	RE-6
Telecommunications Antenna Attachment - Wood Pole.....	RE-7
Top Antennas on Wood Distribution Poles.....	RE-8
Temporary Overhead Service Pole	RE-9
Fault Current Levels: Secondary Terminals.....	RE-10
Conduit Sealing.....	RE-11
