By submitting this form, _____ [Name of customer with signing authority] indicates that it is willing to sign a form electric service contract; provided, however, that the customer may, in its sole discretion, determine that prior to contract execution the proposed terms and conditions of the Program in a manner that adversely affects the customer's interest. In such event, customer must notify Nevada Power or Sierra, as applicable and in writing, as soon as possible and Nevada Power or Sierra, as applicable, will reallocate the subscription amount to another interested customer.

[Signature] for _____ [Customer]
[Position]

¹ A Customer who wants to terminate its customer agreement prior to the conclusion of the five-year term may do so only after participating in the Program for a minimum of three years. If a Customer terminates its customer agreement prior to three years, they will be required to pay 90 percent of their annual subscription allotment for all periods remaining after their termination from the Program and the minimum enrollment period of three years. A Customer who terminates its customer agreement after three years of enrollment may do so at no expense, however, they will not be permitted to re-enroll in the Program.
