

Project Number:
(ROW Management use only)

**LANDS RIGHT OF WAY APPLICATION- FOR PLAN SUBMITTAL REVIEW
(TECHNICAL INFORMATION)**

This is the application for those parcels immediately adjacent to or containing NV Energy transmission high voltage facilities and corridors. Applicants shall submit this completed application and improvement plans (including all subsequent revisions) to the NV Energy Land Services, Attn: ROW Management Department, for review either by hand at our front desk in the lobby or by mail to 6226 W. Sahara Ave., MS #9, Las Vegas, NV 89146. Provide accurate and complete information as requested. A separate application should be prepared for each phase or unit of a project. **DO NOT LEAVE ANY ITEM BLANK.** Inaccurate or incomplete submittals will not be accepted and will cause delays in the review process.

NOTE: INCOMPLETE APPLICATIONS AND DRAWINGS WILL NOT BE RETURNED.

PLAN REQUIREMENTS:

All plans must illustrate NV Energy Easements, Pole Locations, Pole Numbers and Grading on the noted drawings listed below. Plan submittals without this information are incomplete and will not be accepted.

(Please indicate if your Plan Submittal Package includes the following):

Grading plans Utility plans Profile and elevation plans Traffic/lighting plans
 Building plans Sign plans Landscaping plans Other (explain)

OBTAIN PRIOR APPROVAL:

All submittals are subject to technical review by NV Energy Transmission Engineering. Projects may be denied due to safety and liability issues. Approvals are contingent upon compliance with NESC and OSHA requirements as well as NV Energy's ability to access and maintain our facilities. Construction cannot begin without prior written approval or executed Transmission Use Agreement. In order to ensure the safety of the public, and to aid in the preparation of your designs, please refer to NV Energy's Transmission, Design, and Construction Standards
