

# GET CASH BACK

## 20% CASH INCENTIVE BONUS

For NV Energy business customers  
submitting retrofit projects.\*

Bonus is paid *on top of* standard incentives for qualifying energy-saving retrofit projects.

Talk to an Energy Advisor or submit your [retrofit project application](#) and all final documents to get started.

**UNLOCK SAVINGS** with PowerShift

\*Bonus applies to retrofit projects submitted for NV Energy business customers in 2023. Bonus is first come, first served, while funds are available. Small business, non-profit agency grants, instant discount and new construction projects do not qualify. All applications are subject to standard project incentive cap and tier rules, which will be applied before the bonus.
