

LIMITED-TIME OFFER

GET 20% MORE CASH IN YOUR POCKET

Business customers save money and energy when upgrading to efficient lighting, HVAC, refrigeration equipment, and more.*

Now through November 15, earn a 20% bonus on top of standard incentives for qualifying energy-saving retrofit and new construction projects.

Ready to earn your bonus?

Download the [Retrofit](#) or [New Construction](#) application and submit all final documentation.

Eligibility questions?

Talk to an [Energy Advisor](#) to get started.

*Bonus applies to retrofit and new construction projects submitted for NV Energy business customers through November 15, 2024. Bonus is first come, first served. Pending availability of incentive funds. Small business, non-profit agency grants, and instant discount projects do not qualify. All applications are subject to standard project incentive cap and tier rules, which will be applied prior to the bonus.
